**Public Comment**      **Speakers are reminded of the 10 minute time allotment**

**Helen Reedy:** Received letter from 911 informing her of address change. Wanted to Supervisors to take action to prevent Tedrick St. from being renamed to Gafner Drive. Jenkins Tedrick St. was renamed and saw no reason why Twp. road should have to be named the same. Supervisors will have solicitor send a letter objecting to the name change.

**Janice Lane** - Complained about MS-4 and wanted to know what the supervisors are doing; is the twp. trying to get out of the MS-4 consortium. Why did they get involved in the first place.

**Megan Galonis** - (1) Questioned budget items (a) roadmaster salary and (b) Inspection Services. (2)Mentioned conversation with Joe Sperrazza concerning the sewer authority and was told that what she was told by him was incorrect. (3) Wanted to know why the Twp. was taken immediate action for Tedrick St. residents and no action on Suscon Sewer residents.

**Frank Hogan, Esq.** - representing Millers' concerning Zigler Road. Had maps and was concerned about the ownership of the road. Supervisors discussed the problem with ownership and will have Solicitor Sanguedolce get in tough with Atty Hogan to see if they can jointly work our ownership problems.

**Jim Sulima** - had information relating to Zigler Road but still could not answer ownership question. Thanked the police for quick action taken on two separate incidents.

**Ron Kielb** - same as before.....Move the sewer line.
