The absence of a sign stating the penalty amount indicated in subsection (f) at parking spaces designated with an international symbol for access for persons with disabilities on a sign shall not preclude the enforcement of this subsection. A vehicle may only be towed under this paragraph if the parking space is posted with a sign indicating that vehicles in violation of this section may be towed.

(3) (i) Except for persons parking vehicles lawfully bearing a person with a disability or severely disabled veteran registration plate or displaying a person with a disability or severely disabled veteran parking placard when such vehicles are being operated by or for the transportation of a person with a disability or a severely disabled veteran, no person shall park a vehicle on public or private property reserved for a person with a disability or severely disabled veteran which property has been so posted in accordance with Pennsylvania Department of Transportation regulations. The absence of a sign stating the penalty amount at parking spaces designated with an international symbol for access for persons with disabilities shall not preclude the enforcement of this subsection. A vehicle which is unlawfully parked in a designated person with a disability parking area may be removed from that area by towing and may be reclaimed by the vehicle owner upon payment of the towing costs and storage costs. A vehicle may only be towed under this paragraph if the parking space is posted with a sign indicating that vehicles in violation of this section may be towed.

In the instance of a violation applicable to any single vehicle, each motorcycle so parked shall be individually liable for any violation as if the motorcycle were the sole occupant of the parking space.

(f) Penalty.--A person violating subsection (a), (b) or (d)(1) is guilty of a summary offense and shall, upon conviction, be sentenced to pay a fine of \$15.
