Discussion on Revisions to Flood Plain Management Regulations of 2013 Pittston Township Zoning Ordinance

A public hearing has been called to discuss revising the Flood Plain Management Regulations of the 2013 Pittston Township Zoning Ordinance. The county informed the township that the township's Flood Plain Management Regulations must be updated and compliant to the state to remain eligible for the National Flood Insurance Program.

The revised ordinance was presented to the Pittston Township Planning Commission and the Luzerne County Planning Commission. Both agencies reviewed the proposed new regulations and provided no comments.
